

Frequently Asked Questions (FAQs)

- What is the idea and purpose behind Canstruction?

Canstruction® is an international hunger relief charity that raises millions of pounds of food each year for local food banks through our unique design/build Competitions using full cans of food. Founded in 1992, Canstruction events are held in North America, Australia, Europe, Asia and South America.

- **Who participates in these Competitions?** Architects, engineers, designers, contractors, food banks, associations and businesses.

- **What if my city chapter does not have a 501c3 U.S.A. tax exemption for sponsors?** Ask your local food bank if you can use their tax exempt ID as part of your Canstruction Competition.

- **What if I don't want to participate in the International Competition?** You are required to participate, at a minimum, photos of your competition and a food bank donation letter stating the amount of food/cash raised to allow Canstruction to track and report the success of our programs.

- **What if I want to host an event for my child's school or university?** Canstruction offers Canstruction Junior and University programs. To sign up please visit www.canstruction.org/shop.

- **What if I find another organization hosting an event similar to Canstruction?** If there is an organization hosting an event similar to Canstruction please contact us right away at support@canstruction.org. We value the time and resources our volunteers commit to Canstruction so we need your help to keep unsanctioned events from undermining our mission and their hard work.

- **What if a company asks me if they can host a custom event or team building event?** All custom event inquiries must be sanctioned by Canstruction, Inc. If a company would like to host a custom event they will need to contact Canstruction's National Headquarter's at support@canstruction.org.
